INSTRUCTIONS:

The Scheduled dates and time of the Blackboard classes offered during this Semester are provided in the timetable above.

Blackboard classes are dependent on enrolments, if there are not sufficient enrolments in a particular intake then that Blackboard class will not go ahead.

Students have the opportunity to study each unit in all the Intakes (except 3 units which are not offered in the last Intake) .

Blackboard classes will be mostly offered only twice, but there will be a recorded version of the previous session available to watch.

To be able to start a unit for any particular Intake, your enrolment should be made at least 2 days before the Start date of the Intake.
